Oh my...I'm so sorry I haven't gotten back to you. I had to hunt down the file and totally forgot to respond. Yes, you are correct and the trial is in our Belchertown Court not Northampton.

Thank you,
Ann

So am I correct that the drug lab number is [REDACTED]? Thanks.

Hi Ann-

No problem. However, I do not see the drug lab number(s) listed on the summons for the case, which I will need so I can review my notes. I looked up the defendant in our database and came up with a handful of matches, but I'm guessing that the number is [REDACTED] (received from the Ware Police Dept.) - am I correct? Also, has an ADA been assigned to the case yet? Just curious so I'll know who to contact as the date approaches to see if there have been any changes. Thanks.

Ms. Farak,

The summons issued to you for this matter mistakenly requested you appear for Pre-Trial Hearing on 1/25. In fact, the case is set for Jury Trial on 1/25/11.

My apologies for any confusion this may have caused.

Thank you

Ann
